The Rachel

1908 sq/ft

Gorgeous 4 Bedroom, 2 1/2 bath home with enormous bonus room! Master bedroom on first floor with large bathroom and walk-in closet. Huge living room with a fireplace opens up to the eat-in kitchen. 3 more bedrooms on the second floor with the bonus room, all rooms have nice size closets for storage. The oversized 2-car garage is the perfect finishing touch to this well priced home.
